**AFFIRMATION AND UPDATE TO
PETITION FOR CLOSED CAPTIONING EXEMPTION**

ReelzChannel, LLC ("ReelzChannel"), by its attorneys, and pursuant to the Commission's *Public Notice*, DA-12-514 (released April 2, 2012), hereby affirms the assertions in its Petition for Closed Captioning Exemption ("Petition"), which was filed initially on September 15, 2010 in the above-captioned proceeding, and in addition, offers an update concerning the Petition.

In the Petition, ReelzChannel requested a Commission decision which would permit ReelzChannel to be exempt from captioning the lyrics in musical scores used within *Movies & Music*, a program produced by ReelzChannel. ReelzChannel captioned, and would continue to caption, all commentary during the program and pass through any captioning already associated with musical scores. As shown in the Petition, captioning of the lyrics in *Movies & Music* would be economically burdensome.

Movies & Music currently is not in production or being distributed. However, ReelzChannel requests a grant of the Petition in the event that it begins production of new episodes of *Movies & Music* or reruns prior episodes.

Respectfully submitted,

REELZCHANNEL, LLC
